01 black

**MEMBRA-THERM PLUS**

### MEMBRA-THERM PLUS

A highly breathable membrane insert that creates a waterproof barrier between exterior layer of the glove and the insulating materials. It optimizes warmth and comfort by keeping the hands dry.

### THINSULATE PLATINUM:

A unique blend of hydrophobic synthetic fibers for superior warmth and water resistance. Soft and available in various gram weights, it offers versatility and comfort for a range of apparel and accessories.

### WATERPROOF ZIPPER

Waterproof zipper from YKK, smoother and more flexible, it offers optimum protection with a film-coated tape and an innovative zipper element mechanism.

### ELASTIC CORD

This elastic cord seals from the outside environment when the snow is deep and the weather is foul. The cuff goes completely over your jacket sleeve and cinch's tight with the cord.
