GORE-TEX INSIDE

If you want to spend the whole day out, you want to avoid numb fingers. Even in harsh, cold conditions the whole system of inner lining, membrane and outer material is optimized to keep your hands warmer for longer.

MULTILAYER PRIMALOFT®

Soft insulation fabric. An insulation that is water repellent! Unlike down, it won't hold water so it even keeps you warm when it's wet! A warm and soft feeling that offers good breathability.

WATERPROOF GOAT LEATHER

A soft waterproof leather, used mainly for ski gloves in areas which are exposed to high abrasion such as the palms or between the thumb and index finger.

POLYGIENE®

With Polygiene® Stays Fresh Technology, enjoy fresh-all-day confidence. Polygiene makes your glove/mitten stay fresh!
